

January 26, 2010

To Our Valued Customers –

Raw materials continue to increase rapidly therefore Allied Tube & Conduit will increase prices on all transactions of sprinkler pipe received after 11:00 AM CST today, January 26, 2010, by a minimum of 10%.

Looking forward we anticipate further raw material increases and will move to "price in effect at time of delivery" on all orders entered after 11:00 AM on January 26.

New price sheets will be distributed by your Regional Manager this week. Should you need pricing information prior to receiving your new sheet please contact your Regional Manager.

Thank you for your business and continued support, we look forward to servicing your sprinkler pipe needs in the future.

Sincerely,

Patrick Wallis  
National Sales Director  
Sprinkler Division
