September 22, 2011

To Our Valued Customers –

Steel increases over the past few months and the continued increase in transportation costs being experienced by Allied related to sprinkler pipe products have necessitated the following price increases -

Effective Friday, September 23, 2011

4-5% increase on all sprinkler pipe products

\$40 ton increase on all ERW products

Prices will be honored for quantities deemed reasonable and shipment at mill convenience. Please contact your regional manager for pricing until new price sheets can be distributed next week.

Thank you for your business and continued support, we look forward to servicing your sprinkler pipe needs.

Sincerely,

A handwritten signature in black ink that reads 'Patrick Wallis'.

Patrick Wallis
