

AquaFlex® **Stainless Steel** **Flexible Drops**

AquaFlex®

Providing contractors and installers flexibility and speed in installing fire protection systems.

The industry's best, just got better...
meet the 1-BEE² system.

AquaFlex® Does it Again!

**The Leader in Flexible
Sprinkler Drops
lights the way to a whole
new level of savings!**

**Introducing the
revolutionary new**

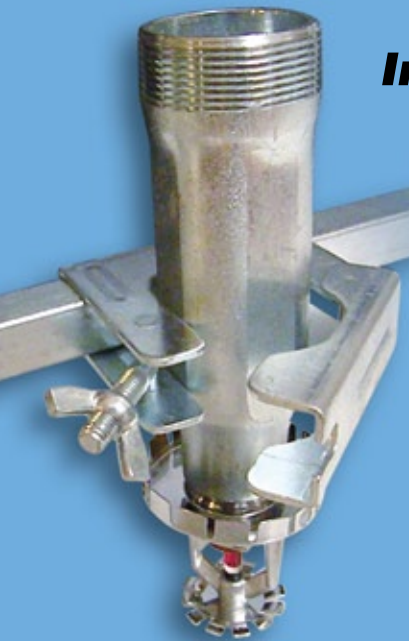

1-BEE²

The industry's most innovative, cost-effective bracket design just got even better! AquaFlex introduces the new **1-BEE²** tool-less, open gate system. Installing sprinkler drops has never been this **fast** or this **easy!**

The **1-BEE²** system installs in **seconds!** Simply pop on the bracket, slide the nipple in place, close the gate and lock it in. Your sprinkler drops and your savings are safe and secure.

**Don't get stung by time
consuming sprinkler drop
installations. Pick up the
1-BEE² and start saving today!**
