Dear Valued Customer:

RE: BlazeMaster Price Increase

Our CPVC material supplier has advised us that they are implementing a price increase.

Unfortunately, increases in raw materials, energy, and freight necessitate our raising the price on Harvel BlazeMaster Pipe 7%, effective **March 4, 2011**.

Orders placed prior to March 4, 2011, for immediate shipment, will be invoiced at current pricing. We can accept pre-increase orders of no more than 1/12th of your annual purchases.

Should you have any questions regarding this increase, please contact me.

We thank you for your support and look forward to being of service to you,

Sincerely,

HARVEL PLASTICS INC
