Re: NIBCO® DURA-PEX® Brass Insert Fittings

Due to continued rising raw material costs, NIBCO will issue an average 10% list price increase on all PEX standard brass insert fittings, effective Friday, October 9, 2009. Individual fitting SKU percentage increases may be larger or smaller than 10%. Please review list price sheets for specific price changes. The list prices of PEX tubing, lead-free fittings, plastic fittings, hand and power tools, accessories, and the Home Run Manifolds™ will not be increased.

The new list price sheet, PEX-1009, will be available September 30, 2009 via NIBCO's websites at www.nibco.com and www.nibcopartner.com. You will have the option of printing a copy of the price sheet in PDF format or downloading list prices in MS Excel format.

If you have questions, please contact your NIBCO sales or customer service representative. Thank you for your continued support of NIBCO products.
