RE: List Price Increase

Dear Valued Customer,

Sigma Piping Products is adjusting our list prices for the following product lines effective December 15th, 2010. This replaces the announcement from November 11th, as the increases are based off of the 2010 list prices, not the 2009 prices as previously stated.

Product	Old List	New List	Approximate Increase From PL2010
Cast Iron Threaded Fittings	PL2010	PL2011	8%
Ductile Iron Threaded Fittings	PL2010	PL2011	8%
Malleable Iron Threaded Fittings	PL2010	PL2011	8%
Steel Pipe Nipples	PL2010	PL2011	8%
Uni-Let	PL2010	PL2011	8%
Uni-Let Welding Template	PL2010	PL2011	8%
Steel Plate Flanges	PL2010	PL2011	8%
Grooved Welding Outlet	PL2010	PL2011	8%
Fire Valves	PL2010	PL2011	8%
BlazeMaster CPVC Fittings	PL2010	PL2011	8%

These list prices will be available on our website at sigmapipingproducts.com or from your local sales representative.

Orders placed on or before Tuesday, December 14th, 2010, will be at the current prices.

Thank you for your support.
