

# TRIM PRO ESCUTCHEON TOOL

**SAVE TIME, MONEY AND LABOR!**

- **Trim Pro** tool includes a 3' - 6' telescoping extension pole. **Trim Pro** has standard acme threads so you can use *any* standard extension pole for those really high jobs.
- **Trim Pro** has a magnetic head so escutcheons are held in place until you are ready to install.
- **Trim Pro** can hold up to 15 escutcheons per pole.
- Fast and easy installation of Recessed and 401 Style escutcheons.
- Works well with **ALL** manufacturer's brands of escutcheons!
- Use what the pros use!
- Check out the informational YouTube video at: <http://www.youtube.com/watch?v=khzY9r7wHiU>

**Easy to Use! • Better Results! • Faster Installation!**
