January 10, 2012

Dear Valued Wheatland Tube Customer:

Effective with new orders placed after 5pm ET January 10th, and all quotes that remain outstanding, Wheatland Tube will be increasing prices on the following product groups:

Product Line	Increase
Continuous Weld Pipe	6%
Sprinkler Pipe	6-8%
Fence Pipe, Tubing and Squares	6%
Grade B ERW Pipe and API Products	\$60/ton

Continued increases in hot roll steel necessitate this move. Orders in-house and shipped by midnight February 10th will be invoiced at current prices. New price sheets will be sent reflecting this increase as well as adjusting for any changes in freight.

Thank you for your continued support. Please contact your Customer Service Representative at 1-800-884-3596 or your local sales representative with questions.

Sincerely,

Mark J. Magno
